PETITION TO CORRECT INVENTORSHIP
under 37 CFR 1.48 (a) (1)

Hon. Commissioner for Patents
Box 1450
Alexandria VA 22313-1450

Sir:

Applicants ask that Francesc Subirada be added as a coinventor for this application. His name was omitted in error and without deceptive intent. Please issue a corrected filing receipt reflecting the revised inventorship in this application — as set forth in the accompanying Substitute Declaration — thus:

Pau Soler,

Roger Vinyas,

Francisco Javier Rodriguez, and

Francesc Subirada

(all citizens of Spain). A separate Request for Corrected Filing Receipt, and a Consent by the assignee of the entire interest (unexecuted), are attached.

I hereby certify that this correspondence is being deposited as first-class mail in an envelope addressed to the Commissioner of Patents, Washington DC 20231 on

May 9, 2005.

Peter L. Oppman, Reg. 22,835

Please note also that the original Declaration and Power of Attorney in this case is now misfiled in the wrapper of another, separate application: 09/919,207 — while the original Declaration and Power in that case is now misfiled in the wrapper of this present case. A current, cofiled Amendment in the present case asks that these two documents be swapped to bring the records of the United States Patent & Trademark into conformity with the applications to which those documents actually apply, as seen from the faces of both documents.

Respectfully submitted,

PETER I. LIPPMAN
